PLAYING FROM ARTIST

Olivia Rodrigo

I got my driver's license last week
Just like we always talked about
'Cause you were so excited for me
To finally drive up to your house
But today I drove through the suburbs
Crying 'cause you weren't around

And you're probably with that blonde girl
Who always made me doubt
She's so much older than me
She's everything I'm insecure about
Yeah, today I drove through the suburbs
'Cause how could I ever love someone else?

And all my friends are tired
Of hearing how much I miss you, but
I kinda feel sorry for them
Today I drove through the suburbs
And pictured I was driving home to you
